This document outlines the partnership terms between **Hissen Global** (The Supplier) and (The Agent). Our goal is to establish a transparent, high-efficiency workflow to supply premium second-hand clothing to your local market.

## 2. The "WhatsApp Group" Workflow (Agent's Responsibility)

To ensure seamless communication and order tracking, the Agent is responsible for:

- **Lead Qualification:** Identifying serious buyers and wholesalers.
- **Group Creation:** For every new potential client, the Agent must create a **WhatsApp Group** including:
  1. The Potential Client
  2. The Agent
  3. The Hissen Global Sales Team
- **Communication:** All inquiries, price quotes, and order details must be discussed within this group to ensure all parties are aligned.

## 3. Marketing Tools

We will provide the Agent with a **dedicated website link/digital catalog**. This link will feature:

- Real-time inventory and grading standards (A/B grade).
- Photos and videos of the sorting process and warehouse.
- Loading and shipping evidence for brand credibility.

## 4. Non-Bypass Guarantee (Protection of Interest)

We highly value the Agent's efforts. Hissen Global solemnly commits to the following:

- **Transparency:** We will **never** finalize a deal or accept payment from a client introduced by the Agent without the Agent's full knowledge.
- **Client Ownership:** Any client introduced through the designated WhatsApp group is permanently linked to the Agent.

## 5. Commission & Incentives

We reward success with a clear and high-value commission structure:

- **Threshold:** For every **\$20,000 USD** in cumulative successful sales from a client introduced by the Agent.
  - **Commission:** The Agent will receive a bonus of **\$500 USD**.
  - **Payment Terms:** Commissions are settled via **[Insert Method: e.g., Bank Transfer/USDT/Western Union]** once the client's milestone payment is fully confirmed and the container is shipped.
- 

## 6. Acceptance
